

Dear Parents/Carers,

“ Everyone Smiles in the same Language”

Family Learning

The Family Learning started well on Saturday 8th November. As this is the first project of its kind in Greenwich, we were expecting few teething problems but I am delighted to inform you that the sessions went very well. From Saturday 15th November we will have a “Letters and Sounds” session to compliment the ICT lessons, we will also introduce 15minute break between the sessions.

Consultation Letter

You will be receiving a letter from me in regards to the time we start the day at South Rise. I would like to propose that the doors to the school building to open at 8.55am, this will mean that all the students in KS1 and 2 must be at school by 8.55am.

Your view is very important, so please respond to the “Consultation Letter” when you receive it.

Halal Food

The uptake for the Halal food is far less than we expected. Right from the beginning we were informed that Halal food will be provided as long as there is a demand for it. Since the start of this project the number of children having Halal food has dropped. Please talk to your child and find out what they think of the Halal food and how we can improve on it, so that we can continue offering Halal food to our children.

Important Notice for Fathers / Male carers

*Charlton Football Club are offering FREE training sessions leading to a **Professional Sports Coach Qualification** to Greenwich men, gaining the qualification can lead to paid employment.*

This is an amazing initiative to create job opportunities and a resource for more sports activities for Greenwich residents.

Please let me know if you are interested in taking part in this brilliant opportunity.
