Messages from Mrs Mathison

Dear Parent/Carer,

The letter from Ofsted to the students was sent out on Tuesday and I hope you have had an opportunity to read the letter. The verdict about the effectiveness of South Rise is that we are a "Satisfactory" School that is rapidly improving. I know that we have the potential to become an outstanding school, based on the evidence during the lesson observations, the inspectors did not see an unsatisfactory lesson. All the lessons observed were either satisfactory, good or outstanding.

Message from Mrs Thorne

Unfortunately there has been an outbreak of head lice and with the warm weather they are spreading quickly. Please could you check your child's head and if any are found treat the **whole** family. Once treated you should continue to use the

The inspectors were very impressed by the role three members of our Governing Body have in the school's life. The fact that Ms Hazelwood, Mrs Wall and Mrs Mayes give their time **FREE** of charge to run the very successful Breakfast club and the Enrichment Programme would not have started and sustained without their help and continued support, gives a clear indication that we are fortunate to have such devoted, hard working and pro-active governors.

As you can see we have good teachers, supportive governors, children who are eager to learn,

special comb for the next five days to ensure all eggs are destroyed.

Thank you for your co-operation in this matter.

Summer Fete

On Thursday 17th July in the afternoon we will have our Summer Fete. Money raised will be put towards building an adventure

we all have the DESIRE to do so much better, we know we can and with your support we will succeed. You can support us by bringing your child/ren to school on time, by ensuring that they do their homework, bring PE kit to school and follow the school rules such as having appropriate hair styles, not wearing jewellery, wearing school uniform and most importantly attending school daily.

playground in the KS2 area. As well as having the popular stands such as "Face painting" and "Teacher in the Stocks" any parent or carer who wishes to set up a stall at a cost of £10 is welcome to do so. If you are interested please contact Mrs McKerrill in school.

Sad Day

The walls are falling.
The ground is bending.
The thunder are smashing loud.
The boats are sinking.
Everything is sad.
It could have been a nice day.
The town is lost.
Why is it?
It is a SAAAAD DAAAAAY!!!!
