Messages from Mrs Mathison

Dear Parent/Carers,

We had our first full Governing Body meeting on Monday 12th November.

Ms Linda Hazelwood was re-elected as the Chair of the Governors and Mrs Beverley Jones was re-elected as the Vice-Chair. It was agreed that the duration of the post will be for two years.

Ms Hazelwood started the meeting by welcoming Mrs Ghataore, Mrs Sharif and Mr. McDonald, the newly appointed Parent Governors, to the meeting.

We are always looking to improve the service we are providing for our students and their parents/carers. We are open to new ideas. If you have any sugges-

tions of how we can improve on our contribution to the school community please do not hesitate to contact Ms Hazelwood.

We welcome constructive and useful comments from our members of the school community. Your views regarding the school is important to us.

Together we can make a difference.

South Rise Primary has the potential to be a very good school.

We aim to create a vibrant school with rigorous focus on raising standards and improving our student's progress.

To get where we want to be you can help.

We need your help to stamp out **bullying**.

You can help us by talking to your child/ren regarding their behaviour at school. I have not come across a parent who agrees that their child is a bully!!! If a child is bullied at home then they become a bully at school. Bullying is to make the victim feel bad about themselves. It can take the form of physical aggression or name calling. Both acts are undermining and hurtful. You can help us to stop it.

PARENTS CORNER

Please Do Not spit

Please refrain from spitting in the playground, not only is it unsightly but spit can spread disease. You might have heard on the news that tuberculosis is on the increase nationally.

Please help us keep the playground clean and spit free.

Lost property

Our lost property box is overflowing with coats, jackets, trousers, trainers, socks, hats, school sweat shirts and scarves.

They will be put on display on Monday and Tuesday of next week (Yr 4 area) from 3.30 to 3.45pm The unclaimed

items will be given to a charity.

Parents entering the building

As we are well into our second term and children have been at school for 9 weeks, I would like to ask the parents of the children in years 3 & 4 to leave their child/ren at the door. Children move around the school all through the day and are familiar with the school building.

If you feel that your child is not ready to walk to her/his class by her/himself please inform me or Mrs. Chapman so that we can implement an alternative arrangement.

Parent helper needed

We are looking for a mum who can spend her Friday afternoons with us. If you have time please contact the school office.

Thought of the week: "The strong, calm person is always loved and revered. He is like a shade-giving tree in a thirsty land, or a sheltering rock in a storm." *James Allen*
