Messages from Mrs Mathison

Dear Parent/Carers,

It is with absolute pleasure that I write to inform you that Mr. Clay our year 2 teacher has been nominated as an excellent Key Stage 1 teacher of Mathematics. Mr. Clay's name will be added to the list of the "Sharing Best Practice", this is a booklet which is circulated amongst all the Greenwich schools. The implication for us is that teachers from other schools will be visiting South Rise and observing Mr. Clay teach Maths.

We are extremely fortunate to have very good teachers and it is very encouraging when they are recognized by the Local Education

Authority advisors.

Anti-Bullying Week

We have had a fantastic week talking about the causes of bullying and the effects of bullying on the victim. Children have been extremely honest and have actually owned up to being a bully. This is a poem written by a year 4 student.

Bully

I am a bully
 but I wish I was not,
 It's not nice hurting people
 You don't achieve a lot
 I make people unhappy
 Some I make them cry
 We all have equal rights
 Should I be eating humble pie?
 Will I learn my lesson?
 Will my path be found?

Will I encounter a bigger bully?

What goes around comes around.

We all have equal rights
 to be a better boy

Learn to play together

And not snatch someone else's toys.

I must change my ways!!

I hope you appreciate the honesty of the child.

The more we talk about bullying the more chance we have to eradicate it from our school.

Calendar of Events

Mon	Christmas Fete
3rd Dec.	3.30-5.30pm
Wed	O2
12th Dec	Concert
Dec	7.00-9.00pm
Fri	Nursery Party

Mon	Father Christmas to visit the School
17th Dec	
Wed	Christmas Lunch for Students
19th Dec	
Thr.	Last Day
20th	3.00pm

PARENTS CORNER

Thank you Parents

Mrs. Sanders and all the students in class

4 J **thank** all the parents who attended the Anti-Bullying Assembly. The children did extremely well. Year 6 students were made aware of their poor

behaviour during the assembly. This afternoon 4J received letters from every single year 6 student.

In the future we will use an amplifier and a microphone so that everyone can hear what is being said.

Guinness World Record

Congratulations to 23 students from 4J who took part in the Guinness World Record.

"Most People Sport Stacking at Multiple Locations in One Day"

Some 81,292 people world wide took part last year and that record has been smashed!!!!

Well done 4J

Speed stacking /cup Stacking is part of our enrichment programme and 4J take part in a lunch time club also.

It's great fun to do and we love it!!!!!!

Mrs. Steptoe

Please Do not forget to join us during the Christmas Fayre on Monday 3rd December from 3.30 to 5.30

Take part in Festive Fun, enjoy home baked mince pies, cakes and biscuits.

See you on the 3rd!

Thought of the week: "Look for a lovely thing and you will find it, It is not far—It never will be far."
Sara Teasdale
