Messages from Mrs Mathison

Dear Parent/Carers,
 This has been a very busy week-end. Our Welsh parents/ carers, celebrated the St. David's Day on Saturday 1st March and the country celebrated the Mothers Day. So on behalf of all the staff at South Rise I wish you a Happy St. David's Day and Happy Mothers Day. I know I am few days late but I firmly believe in the saying "It is better late, than never."

The ICT suite now accommodates 30 computers, the new server will be installed during this week. Our collective aim of becoming an ICT rich school, where the students learn the skills and the knowledge of the advanced technology so that they can become self reliant and happy citizens of the future is becoming a reality. Our aim is to ensure that we address all aspects of Every Child Matters in everything

We do at school.

Communication with Parents and Carers

Please let us know of your aspirations for your child/ren, we would like to work closely with our school community to ensure that we serve the community and build good relationship with the all the stake holders.
