## Messages from Mrs Mathison

## Calendar of Events

**Dear Parent/Carers,**

On Monday 3rd December we had a fantastic time while raising funds for the school.

During the early evening you could see children with beautifully painted faces walking around the school.

The food stand was extremely successful and the sweet and savory food was sold out in no time.

Children behaved well and enjoyed themselves.

Sincere thanks to all the Governors, parents and all the staff who worked so well together to raise money for our school.

As you can appreciate for any event to take place and be successful someone has to take the lead and in this case

Miss Pollett, organized and lead the event triumphantly. I would like to thank Miss Pollett for her commitment and hard work. Alas during the course of the evening Miss Pollett

scolded her hand with hot water and had to visit the Accident and Emergency Department.

I am pleased to inform you that she is much better now.

The total sum raised during the evening is £677.

I would like to take this opportunity to thank the Play Group organisers who agreed to accommodate our need and moved to the old building for the evening.

| <b>Thr.</b>     | Last Day                             |
| <b>20th</b>     | 3.00pm                               |
| <b>Dec</b>      |                                      |

### Christmas Raffle Mrs Mayes's cakes!!

Tickets will be available from Wed 12th in the lobby.

## PARENTS CORNER

### Breakfast Club

Please let us know if there is a demand for a Breakfast Club at South Rise by filling in the form and returning it to school.

### Charity run

It is with pleasure that I write to inform you that Aaron Terry

Hibberd and a few of his friends have decided to undertake a sponsored run to raise money for a charity of their choice. Weather permitting it will take place early next week and you will receive a sponsor sheet.

Thought of the week: "The only constant is change" Plato
