24th May 2010

Dear Parents and Carers,

Launch of our Extended School Provision - "Kool Kidz Club"

Please join us from 3.15pm on Wednesday 26th May to see what is on offer. We have a full and varied range of activities for all the children who attend, including: dance, football, tennis, cookery, indoor and outdoor games, home work help, DVD nights and much more. We are building links with other local schools and have already hosted a "7 a side" football match, complete with cheerleaders. The diversity of the children who attend this club is varied but once they step through the doors they all become "Kool Kidz" and they take pride in their "Club", their "room" and each other.

KOOL KIDZ CLUB SESSIONS: 3.30pm - 6pm
Monday - Friday (term time only)
COST: £6.50 per session

Year 4 Trip to Wrotham

Our Year 4 children have started their exciting week in Wrotham. I wish them all the best and know they will have a great time.

Half term next week (31st May-4th June) School Closed

If you are interested in sending your child/children to any activities being run in the local area, during half term, please see Jenny McKerrrell, on Tuesday, for further information regarding locations and fees, if applicable.

Sports Day

As we are rapidly approaching School Sport Days, please make sure your children have the correct P.E. kit: white t-shirt and black shorts.

Warm Weather Uniform

In warm/hot weather boys can wear; white polo shirts, tailored shorts to the knee or below in black or navy. Girls - blue gingham dresses.

Footwear

Thank you to all the parents who approached me regarding summer footwear in school. Girls and Boys can wear open toed sandals as long as they have a strap at the back and they must be black or white (**no backless sandals**). Please note it is difficult to run in open toed sandals, so please send children in with plimsolls or shoes to change into for breaks and lunchtime.

No Crossing Patrol Tuesday 25th May

Please note the Lollipop Lady will be absent tomorrow. Make sure all your children take extra care crossing the road outside school and use the Green Cross Code. I will be outside the School at 3.30pm to monitor children crossing.

Yours sincerely,

Mrs Mathison
Head teacher
