26<sup>th</sup> April 2010

Dear Parents and Carers,

I am absolutely delighted to tell you that Jodie Collins, our ICT Teacher, has been confirmed as a finalist for the Teaching Awards 2010. Getting through to this stage of the Awards is a fantastic achievement and one which I hope to celebrate with the whole school community. A team of representatives from our local Teaching Awards judging panel will be visiting our School on Wednesday 28<sup>th</sup> April.

## Questionnaire

On Tuesday 4<sup>th</sup> and Wednesday 5<sup>th</sup> May, Years 3, 4 and 5, will be taking part in a questionnaire regarding bullying. The questionnaire will be administered by a PHD student from Goldsmiths University, who is visiting our School. The aim of her study is to investigate the differing attitudes and approaches of children's perception of bullying behaviour and consequences focusing on the understanding of another's feelings. If you have any queries, please speak to Mrs Shaw.
