30th November 2009

Dear Parents and Carers,

Message from Linda Hazelwood, Chair of Governors

Due to road works, our Lollipop lady being unwell and parents parking/dropping children off in inappropriate places, Brewery Road is one of the most dangerous roads in our area. The Police have been discussing the situation and will drop-in unannounced, at any time, and will issue tickets to people parking illegally, dropping children off on zigzag lines and generally being a nuisance to other road users.

Child Safety on the Internet

I would like to remind all parents that we are running a FREE e-safety workshop for parents on 2nd December at 4 p.m. in the KS1 Hall. Some places are still available; please see Miss Chapman if you would like to attend.

Christmas Fayre - 10th December. If you are interested in helping out at our Christmas Fayre, call in on a Wednesday morning to our Community Room and see Mrs McKerrrell. Please bring in donations for raffle ticket prizes and, on the day, could you donate cakes and savouries. Many thanks. **(A separate Newsletter detailing all our events in December will be sent out to parents soon).**

The Hoop Girlz invite you to a Razzle Dazzle Disco and hula-hoop party at Glyndon Community Centre on Friday 11th December 2009, 4-5.50pm

(Wear something that sparkles and bring party snacks to share)

Please note that Glyndon Community Centre provides a range of activities for the whole community to take part in i.e. a first class fitness room, taekwondo and chess lessons to mention only a few!

Fund Raising - Children in Need £585.61 has been raised so far. Well done and thank you for supporting this worthy charity. If you have any sponsor money, please could you send it into the Office by the end of this week.

Seaside Trip - So far £755.10 has been raised, again well done and thank you for your continued support.

Yours sincerely,

Mrs Mathison,

Head teacher

As IB learners we aim to be:

Inquirers: We develop our natural curiosity. We acquire the skills necessary to conduct inquiry and research and show independence in learning. We actively enjoy learning and this love of learning will be sustained throughout our lives.
