Dear Parents and Carers,

I want to start by thanking all of our Parents/carers for a fantastic start to the new academic year. 100% of our students are wearing uniform; we have achieved our target as you are all supporting the school rules. Together we can lay the foundations for a happy and fulfilling future for our children.

The following Year Group Parents are invited to school to attend their child/children's class teachers meeting to hear about homework, P.E. times and expectations for the year.
