Dear Parents and Carers,

COLD WEATHER & SNOW

You all must have heard the weather forecast predicting snow. In the event of me having to close the school to keep children and staff safe, children can access school work on Fronter. Every teacher has uploaded emergency activities for Maths and English. If you do not have a computer at home, please try and arrange for your child to visit a nearby friend who has a computer and work with them. Please also read with your children and practice the times tables, but I will endeavour to **keep the school open**.

Call Parents

If we have to close the school, a message will be put on our website and we will endeavour to send you a text message.

Keeping Children Warm

Please ensure your children are sent to school wearing a polo shirt and a jumper (if possible also a vest) to ensure they are warm. If any children have chapped lips from the cold, please use Vaseline to help clear it.

Crossing Patrol

The Lollipop man will not be at Griffin Road on Friday 3rd December and Monday 6th December. Please make sure you tell your children to take extra care crossing the roads.

Important Dates

Rise and Shine Club - There will be no Rise and Shine Clubs during the week commencing 13th December.

After School Club - There will be no After School Club on Friday 17th December. School will close to all children at 3.30pm.

Yours sincerely,

Mrs Mathison
Headteacher
