Dear Parents and Carers,

The weekly Newsletters are sent out to inform you of all the events at school and it is essential that you read these Newsletters to keep up with what is happening at your child's/children's school. As you can appreciate sending out a weekly Newsletter has cost implications on our school and if it is not read by all parents/carers we are wasting a great deal of money. Please support the school so we can be the best as we can be.

School Rules

All the children in our School know the School Rules, such as accepted hair styles, footwear and uniform. However, children are still coming to school with inappropriate haircuts and when challenged they inform me it is their parents decision to have the style of haircut, footwear etc. It is very important for you to realise that if you encourage children to break the rules at such a young age, you will have difficulty encouraging them to follow the laws of the Nation when they are in their teens. Please help us nurture the next generation into becoming good citizens.

Year 5

Year 5 will be selling small boxes of truffles for 50p each at break time today, Wednesday and Friday. All proceeds will go towards school equipment for Padmore Street School and Akudjo School in Tema, Ghana. Please support us by sending your child/children to school with 50p to purchase truffles.

SATS Week - Monday 9th May

Year 6 children are welcome to attend Breakfast Club from 8.30am, free of charge, every morning during SATS week, providing they first attend the 7.30am Rise & Shine class on Tuesday and Thursday and Start Write on Wednesday. Please make sure your children have a good night's sleep and arrive at school in plenty of time to start the SATS tests each morning. Please make sure your children know their times tables, can read the time on an analogue clock and work with money and are familiar with the coins.
