Dear Parents and Carers,

Behaviour of Children During Lunchtime

We are trying very hard to create a calm atmosphere where children enjoy coming to school, feel safe and ready to learn. We have been successful in implementing the new strategies that assist us in helping your child to learn. However, during lunchtimes there are a few children who consistently mis-behave and break school rules. This week I will undertake to exclude the continuous regular offenders during lunch times so that children who behave and follow school rules can enjoy lunchtimes in a calm and tranquil atmosphere.

Parent Governor Votes

We held Parent Governor Voting Day last week and out of approximately 393 families in our School only 70 votes were cast. We need greater support from all the Parents on any future voting days.

Attendance

Our overall School Attendance figure is 92.7% and we need to increase this figure, please send your child/children to school everyday.

Performing Arts Activity at South Rise

A very reputable Company called I-path have approached our School to launch a Performing Arts Programme at South Rise. There will be a fee and the Programme will take place on Saturdays. I would be very curious to know how many of you would be interested in sending your child/children on this Programme. I will be in the Playground every morning from 8.45am.

Yours sincerely,

Mrs S Mathison
Head teacher.
